## GROUP 7

## GROUP 8

I wish I didn't have to think about making or managing money

At my most extreme I limit my opportunities because of my fear of spending or investing money

I have faith that somehow, things will always work out financially

I love buying things on sale, closeouts or used items so I know I'm getting the best deal

I don't feel a strong connection to money

Saving a lot of money makes me feel safe and protected

At my most extreme I feel overwhelmed or even helpless about money and wish the need for money would just disappear

I feel a strong emotional connection to money

**TOTAL COLUMN 13**

**TOTAL COLUMN 14**

I believe in living the good life, no matter what it costs

At my most extreme I am never satisfied with how much money I have and drive myself relentlessly to create more

I figure since you can't take it with you, money is to be spent now

I am typically decisive regarding money and its management

My purchases make me feel better about myself

I believe I'll be happy when I have more money (even though what I have now is more than I've had before)

At my most extreme, I spend money impulsively

I fear losing control of or power over my money
